## Introduction

**Thanks for applying for our Zero To \$10k Coaching Program!**

As a reward for taking action to achieve your goals and to give you an idea of what to expect from us working together, I'd like to give you my proven sales funnel process which makes between \$50k – \$80k per month in my own business, and has made over 7 figures in sales for my coaching clients.

This sales funnel has been *proven* to work again and again in **all kinds of niches which sell information or services**, including weight loss, dog training, insomnia cures, diabetes cures, nutrition, strength training, information marketing, dating, and a whole lot more.

If you get a phone call from a number you don't recognize in the next 7 days, **don't forget to pick up the phone**, as it'll be one of my friendly assistants – either Leigh or Mia – calling to discuss your application and to see if we're a good fit to help you implement this six figure sales funnel into *your own* online business.

Let's get started...

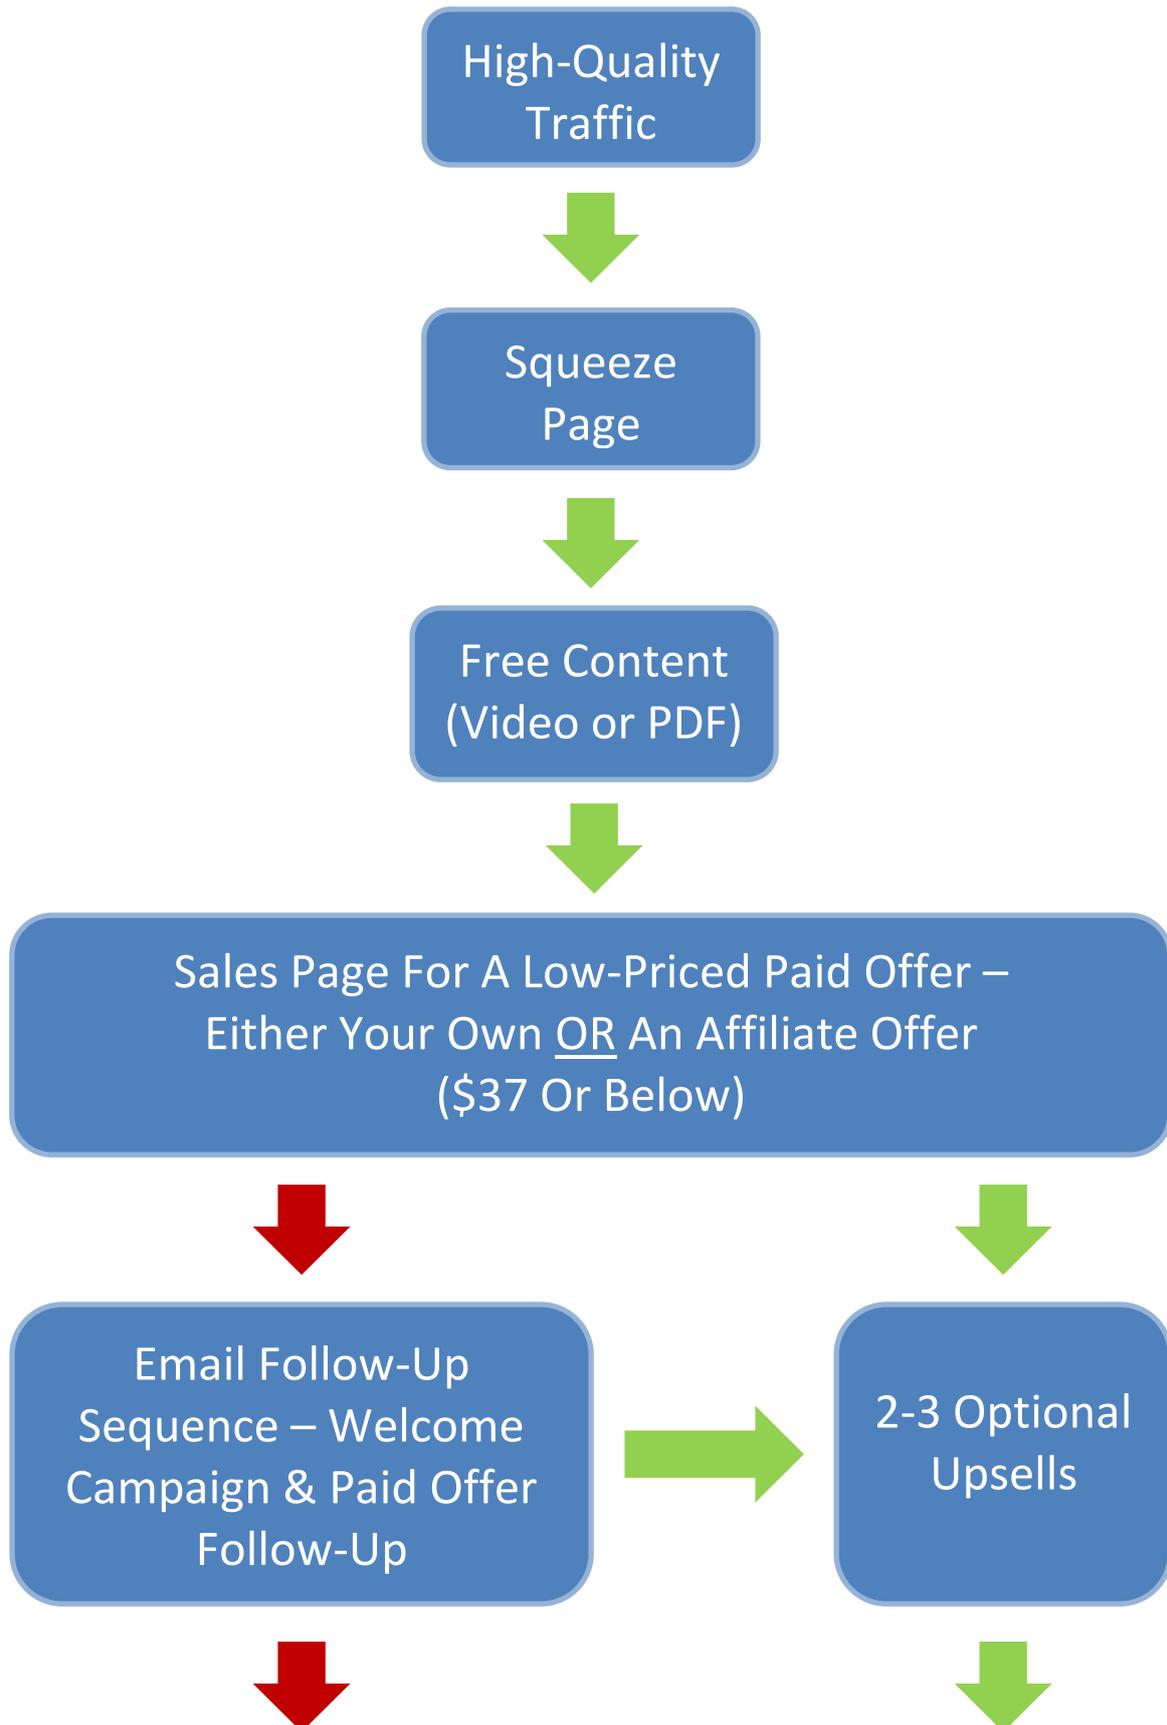

A handwritten signature in blue ink that reads "J. Francis". The signature is written in a cursive, flowing style.

## The Six Figure Funnel Blueprint

That's it! Everything you need for a \$10k per month online business which you can *rely* on to provide a better life for yourself and your family, or even scale to 7 figures and beyond.

Although this blueprint may seem daunting at first, **it's actually pretty simple** once it's broken down into easy steps in a "do this, then do that" style.

For example, by the end of module #1 of the Zero To \$10k Coaching Program, you'll have the first third of this entire blueprint completed!

All it takes is the *commitment* to change your life right now instead of looking back and wishing you'd have done it sooner.

So pick up the phone if you get a phone call from a number you don't recognize within the next 7 days, as it'll most likely be one of my friendly assistants – either Leigh or Mia – calling to start your journey to your guaranteed \$10,000 profit.

I'm looking forward to working together 😊

Good luck!
